

General conditions Advent window:

General information:

Illuminated: from 17.00 - 22.00 hrs.

Period: from assigned date until 31.12. of the respective year

Size: individual

The window can be indoors or outdoors.

It can be 2D or 3D.

The material can be chosen freely.

An easily readable number is desirable.

The window must be clearly visible.

Costs and effort are individual.

A timer is an advantage.

The numbers are compiled according to coherence or route.
